H.R. 4063

**Rosie the Riveter/World War II Home Front National Historical
Park Establishment Act of 2000**

As cleared by the Congress on October 5, 2000

H.R. 4063 would establish the Rosie the Riveter-World War II Home Front National Historical Park in Richmond, California. The National Park Service (NPS) would administer the park, which would consist of historical sites related to the themes of Rosie the Riveter such as World War II-era shipyards, housing and daycare centers, as well as a number of local parks and memorials. The act would authorize the NPS to accept and use donations for the new historical park. Such donations are recorded in the budget as governmental receipts, and spending of the gifts would be considered new direct spending. Based on information provided by the agency, CBO estimates that both receipts and direct spending under this provision would be less than \$500,000 annually.

The CBO staff contact for this estimate is Deborah Reis. The estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
